CLI SCHOLAR PROGRAM

The **Convergence Lab Institute (CLI) Scholar program** offers specialized training for motivated VCU undergraduate students, and provides experiential learning in the CLI technology areas involving semiconductor research for advancing micro & nano electronics.

OBJECTIVES:

Get hands-on training in the following CLI areas:

- Electro-Optics and Infrared Technology
- Radio-Frequency and Communication
- Edge-Technology and Applications

WHY JOIN THE PROGRAM?

- ✓ Work with research teams, experts.
- ✓ Project based learning.
- ✓ Get experiential learning in the CLI technologies.
- ✓ **Develop skills for VCU graduate program.**
- ✓ Work in the Virginia Microelectronics Center.
- ✓ Internship opportunity with Industry and Federal Labs.
- ✓ Financial benefits (\$15/hr. pay)

Work with the experts, get experience, and enhance your resume!

Join CLI Scholar Program Today!

HOW TO APPLY?

Contact Dr. Liang-Chieh (Jason) Ma at: mal4@vcu.edu

Program Coordinators:

Dr. Nibir Dhar
Dr. Vitaliy Avrutin
Dr. Ümit Özgür
